As its name suggests, this recreation path lies along Ridge Road in west Fremont. The trail is 8-foot-wide concrete, with intermittent tree cover, and is a flat run, walk or ride. The Ridge Road Trail connects the Fremont Lake State Recreation Area to the Luther Hormel Memorial Park. The Fremont SRA is made up of 20 sandpit lakes for swimming, fishing and camping. The trail forms a loop in Hormel Park, which also offers opportunities for fishing, picnicking and boating.
