Missoula's Milwaukee Trail provides a valuable east-west commuting route through the city. The paved pathway includes

Missoula's Milwaukee Trail provides a valuable east-west commuting route through the city. The paved pathway includes occasional on-road segments but is well marked with excellent at-grade road crossings. On its east end, the trail begins at a hub just south of McCormick Park and Ogren Field, where the city's baseball team plays. At the hub, the [Bitterroot Trail](#) heads southwest and the [Riverfront Trail](#) heads north and east. Heading west on the Milwaukee Trail, the route traverses a mix of commercial, light industrial and residential areas.

Milwaukee Trail

Montana
