Run, roll or ride the Sleepy Eye Lake Trail, to get a 360-degree experience of the whole lake. The asphalt trail has two main trailheads: Allison's Park on the south side of the lake and Sportsmen's Park on the north side. The two parks are also lovely spots for lakeside picnics or a refreshing swim in addition to the journey around the lake. The trail is also a popular local site for events like 5K runs and walks throughout the spring and summer.
