98th Street Multi-Use Trail

New Mexico

A short stretch of paved trail on the western outskirts of Albuquerque, the 98th Street Multi-Use Trail provides a nifty link

A short stretch of paved trail on the western outskirts of Albuquerque, the 98th Street Multi-Use Trail provides a nifty link between the main thoroughfare of Central Avenue and a section of the city's trail network that runs through the nearby neighborhoods. The flat asphalt pathway spans from Central Avenue to Eucariz Avenue along its namesake roadway, where it meets up with the [Westgate Trail](#), offering additional miles of pathway to the south through the Westgate Heights neighborhood.

98th Street Multi-Use Trail

New Mexico

States: New Mexico
