The Blossom Way Trail is part of Roger's growing trails and greenway system. The wide, concrete trail takes a pleasantly shaded course along Blossom Way Creek. The trail passes by wide open green spaces including golf fairways, soccer fields and meadows. On the west side, the trail connects to the [Razorback Greenway](#), which stretches 46 miles through Benton and Washington Counties. On the east side, there's a trailhead just south of Rogers High School on Dixieland Road. The [Mountie Trail](#) continues east along Prairie Lane, providing access to other local schools.

Blossom Way Trail

Arkansas

States: Arkansas
