Frager Road Trail

Washington

Frager Road Trail

Washington

Overview The Frager Road Trail runs alongside the Green River for 5.5 miles in Kent just south of Seattle, WA. It follows the route of the

After passing 53rd Pl S, bollards mark the start of a vehicle-free trail for the next 2.3 miles until reaching Cottonwood Grove (23004 Frager Rd.).

At Cottonwood Grove, the trail returns to a shared road, although the route is lightly trafficked. The trail continues as shared road, all the way to the southern endpoint at West Valley Highway N, except for a brief section at Downey Bridge Monument, where a short section of trail has been constructed.

Connections

The Frager Road Trail parallels the [Green River Trail](#) for its entire route along the opposite side of the river, with many bridge crossings available.

Overview

The Frager Road Trail runs alongside the Green River for 5.5 miles in Kent just south of Seattle, WA. It follows the route of the out-of-service Frager Road, and along a portion of the trail, shares Frager Road with vehicle traffic.

About the Route

The northernmost endpoint of the trail is located just south of S 200th St., although the northernmost access point isn't until S 204th St.

The northernmost mile of the trail shares the road with vehicle traffic except for a brief off-road portion that travels underneath S 212th St. where the road travels over.
