The Mattapoisett Rail Trail, when completed, aims to connect the towns of Fairhaven, Mattapoisett, and Marion through 23 miles of connected bikeways. Section 1 of the Mattapoisett Rail Trail stretches 1.9 miles from the end of the [Phoenix Bike Trail](#) at Shaw Rd. into the village of Mattapoisett. The trail occupies the former right-of-way of the Old Colony Rail Road, which dates to 1851 and once called the "Old Colony Mile."

The newest section, Section 1B or the "Shining Tides Mile" is a new beautifully-constructed boardwalk that winds along the shore of Mattapoisett Harbor, with steps and ramps down towards the beach.
