The Trolley Line Trail is a 2.5 mile paved pathway between Rabbit Hill Road and Penn Lyle Road in West Windsor. The trail is on the right of way of the former Fast Line electric trolley that connected Trenton and New Brunswick in the early 20th century. The trail passes through West Windsor Community Park where there are picnic facilities, soccer fields, baseball fields, tennis courts, dog parks, basketball courts and rest rooms. The West Windsor Waterworks swimming pools and Skateboard Park are also located in the community park. The trail passes behind residential areas, beside wetlands and crosses Big Bear Brook. There are signs at each end of the trail and markers every half mile. A map of the trail is located at the intersection of Brent Midland Boulevard.

Trolley Line Trail (NJ)

New Jersey
