River City Trail

Oklahoma

The River City Trail is a short multi-use trail that runs through River City Park in the City of Sand Springs, just west of Tulsa. The

The River City Trail is a short multi-use trail that runs through River City Park in the City of Sand Springs, just west of Tulsa. The trail provides access to the park's numerous recreational fields and offers scenic views of the Arkansas River.

At its eastern endpoint, the River City Trail connects to the popular [KATY Trail](#), which extends farther eastward into Tulsa.
