Neuse River Trail

North Carolina

Neuse River Trail

North Carolina

Closure Notice: The trail is closed between mile markers 13.75 and 17.25 until December 2024 and at mile marker 8 until January 2025.

viewing opportunities, especially on its boardwalks through wetland areas. There are several river crossings along the way, including two on suspension bridges. On its southern end, the trail becomes the [Clayton River Walk](#), which continues along the Neuse River and makes up 4 of the trail's 34.6 miles.

Drinking water and restrooms are available along the route and are marked on the TrailLink map. Locations with both include Buffaloe Road Athletic Park and Anderson Point Park.

Connections

Near the trail's north end, it connects to the [Abbotts Creek Trail](#) just south of the Bedfordtown Drive parking lot. Just south of Poole Road, the trail also offers a seamless connection to [Walnut Creek Trail](#), which heads 18 miles west through Raleigh. On its southern end, the trail connects to the [Sam's Branch Greenway](#).

The Neuse River Trail is part of the East Coast Greenway, a long-distance trail network stretching from Maine to Florida.

Closure Notice: The trail is closed between mile markers 13.75 and 17.25 until December 2024 and at mile marker 8 until January 2025. There is a detour available for the mile marker 8 closure. Check the [City of Raleigh's trail page](#) for the most up-to-date information and the detour.

Overview

Along the eastern outskirts of Raleigh, the Neuse River Trail follows the river for 34.6 miles between Falls Lake Dam and [Sam's Branch Greenway](#) in Clayton south of the Wake/Johnston County line.

About the Route

The scenic, tree-lined trail offers numerous wildlife
