Tennessee River Greenway

Alabama

The Tennessee River Greenway is a short, but scenic, route in southern Huntsville with a forested area on one side and the river

The Tennessee River Greenway is a short, but scenic, route in southern Huntsville with a forested area on one side and the river on the other. The trailhead at Ditto Landing offers a great place to access the river to swim, fish and boat, or to camp and picnic on its banks.

For further adventuring, hop on the [Aldridge Creek Greenway](#) to travel more than 3 miles north along a wooded creek rich with birds and other with wildlife.

Tennessee River Greenway

Alabama
