US 92 Trail

Florida

The US 92 Trail travels across northern DeLand, closely following the north side of the highway known locally as International

The US 92 Trail travels across northern DeLand, closely following the north side of the highway known locally as International Speedway Boulevard because it passes the famous racetrack at Daytona Beach further east. The trail begins at Northgate Shopping Center at the highway's intersection with N. Woodland Boulevard. The trail continues east for more than 2 miles through commercial and industrial areas and along the southern border of the town's airport.

US 92 Trail

Florida
