The Padden Parkway Trail provides a paved, 5-mile route across northeastern Vancouver, connecting neighborhoods and shopping

The Padden Parkway Trail provides a paved, 5-mile route across northeastern Vancouver, connecting neighborhoods and shopping areas. Trail-goers are separated from the busy four-lane roadway by a wide, well-manicured median. On its western end, a 560-foot bridge allows bicyclists and pedestrians to safely cross over I-205.
