Angelica Creek Trail

Pennsylvania

The Angelica Creek Trail, in Reading's suburbs, begins at a scenic stretch of the Schuylkill River Trail, then goes south along the river

The Angelica Creek Trail, in Reading's suburbs, begins at a scenic stretch of the [Schuylkill River Trail](#), then goes south along the river a short distance before heading northwest toward Angelica Creek Park and Alvernia University. The park's wetlands are a great spot for birdwatching and wildlife viewing. The trail then follows Angelica Creek through the Kenhorst Borough down to the KenGrill Recreation Center. It may one day continue south to the Nolde Forest or west to Shillington Memorial Park, connecting even more recreational amenities.

The trail is managed by Berks Nature, a non-profit conservation organization.
