The Talley Trail travels east-west, covering nearly the entire distance of Garden City in which it is located. Beginning near the

The Talley Trail travels east-west, covering nearly the entire distance of Garden City in which it is located. Beginning near the Garden City Community College, the path goes up the city street before nestling in the rest of the way between the residential communities. A spur can be taken north alongside Taylor Avenue to where it will terminate as a roundabout across the street from various shops. The trail ends before travelling in to Quinby.
