Santa Gertrudis Creek Trail

California

The Santa Gertrudis Creek Trail is a 3-mile paved trail that serves as both a recreational amenity and an active transportation

lots, it is easy to hop off at any point to reach your desired destination.

The trail crosses Winchester Road and heads south as it parallels Diaz Road until it connects with the Diaz Trail.

The Santa Gertrudis Creek Trail is a 3-mile paved trail that serves as both a recreational amenity and an active transportation alternative for locals looking to get to nearby locations without driving. Such locations include The Promenade in Temecula shopping mall, Chaparral High School and the Rancho Temecula Town Center, all of which are within easy walking distance from the trail.

Beginning at Joseph Park, the path travels alongside Nicolas Road to Voorburg Park (39960 Nicolas Rd) and Nicolas Road Park before branching off from the road towards busy shopping centers. The trail passes under State Route 79 and skirts the retail properties, traveling independent of mall vehicular traffic, so users will have an undisturbed ride or walk. Since just a small barrier of bushes and pavement separates the path from the parking
