The Bayfront Connector Trail, also known as the Bayfront Bikeway, offers a paved route across the city of Erie in northwestern Pennsylvania. At its east end is the Penn State Behrend campus; from there, the trail continues downhill following the Bayfront Connector, a four-lane expressway, to Frontier Park on the west end of town.

Along the way, the trail offers an eclectic mix of cityscapes, wooded stretches, and lake views. The Lake Erie Arboretum at Frontier Park, which offers a wealth of educational programming and events, is a highlight of the trip.
