## State Route 69 Multi-use Path

Arizona

*It took about 6 years to complete construction of this Prescott Valley Trail; the first phase was completed 2005, then the second*

It took about 6 years to complete construction of this Prescott Valley Trail; the first phase was completed 2005, then the second and third phases were finished in 2011. The trail parallels SR 69, linking to shopping and businesses along the highway. The concrete trail comes with amenities like trailside rest areas, benches and bike racks.

# State Route 69 Multi-use Path

Arizona
