West Branch DuPage River Trail

Illinois

The West Branch DuPage River Trail is a 26-mile regional trail that stretches between the North Central DuPage Regional Trail at its

The West Branch DuPage River Trail is a 26-mile regional trail that stretches between the [North Central DuPage Regional Trail](#) at its northern end and the [DuPage River Trail](#) at its southern end. The trail forms a spine for numerous other intersecting trails networks including the [Illinois Prairie Path](#) and the [Great Western Trail](#).

Along its north-south route, the trail passes through dozens of forest preserves that dot the Chicago suburbs.
