The first phase of the 440 Greenway is 1.25 miles of paved trail linking two parks and providing a safe connection to neighborhoods previously divided by I-440 and I-40. The trail parallels I-440 between Centennial Park and Elmington Park in Nashville. The goal is to ultimately build 7 miles of off-road greenway.

440 Greenway

Tennessee

States: Tennessee

Counties: Davidson

Length: 1miles
