The Hoover Road Trail is a 4-mile spur connecting the [Green Circle Trail](#) in Stevens Point to the [Tomorrow River State Trail](#) in the Village of Plover. The asphalt trail parallels Hoover Road passing Mainland Meadows, where it branches off and connects to the crushed granite Whiting Crossing Trail. A little ways south, you can access Little Plover River Park with picnic facilities and play area and baseball diamond. A pair of parks, Worzella Pines & Lake Pacawa, provide a scenic conclusion to the journey. Worzella Pines sits on the shores of the lake.

There are several at-grade road crossings so be sure to exercise caution as you jog, walk or bike. Leashed pets are welcome on the trail but not in the parks.
