Dakota City Trail

Nebraska

The Dakota City Trail is a dedicated sidepath off Ibp Road/ Dakota Avenue, leading from South Sioux City to Dakota City, Nebraska.

The Dakota City Trail is a dedicated sidepath off Ibp Road/ Dakota Avenue, leading from South Sioux City to Dakota City, Nebraska. The land use along the trail is mainly industrial with patches of green space between. It intersects with the [Al Bengtson Trail](#) system at its northern end, which offers a further 22 miles of trail criss-crossing South Sioux. It crosses underneath I-20 and continues south. In Dakota City it threads through a residential neighborhood before coming to a stop at 18th Street, across from the Dakota City Elementary School.
