This is a component of Cheyenne's citywide greenway system. The concrete sidepath parallels Storey Boulevard between Powderhouse Road and N. College Drive in north Cheyenne. The trail runs on the edges of residential and open space areas. Points of interest along the trail include Meadowlark Elementary School and the North Cheyenne Community Park, where mountain biking enthusiasts can loop around on natural surface singletracks. At about its midpoint trail also intersects with the [Converse Avenue Greenway](#).

Storey Boulevard Greenway
