Crystal-white beaches and Florida-blue water are all par for the course at Navarre Beach, a 3.6-mile bike path

About the Route

The Navarre Beach Bike Path is a low-stress way to travel along Gulf Boulevard/ CR 399 to through the residential part of Navarre Beach, connecting those residents to Navarre Beach Marine Park at its eastern end. Check the wind before you embark: running or riding into a beach headwind adds to the challenge of the journey, though it shouldn't discourage you from heading out - The views are worth it.
