If you're looking for a low-stress place to take a family bike ride or an evening stroll in Kitty Hawk, consider the David Paul Pruitt Jr. Multi-use Trail. The shady path connects two popular area parks: David Paul Pruitt Jr. Park and Sandy Run Park. The former park features a playground for toddlers and young children, and the latter is a 16-acre park within the larger Kitty Hawk Woods Coastal Preserve and features a boardwalk loop through maritime woods & wetlands. It's a fantastic spot for wildlife and birdwatching. In addition, there is a connection from this trail to the 0.9-mile [Twiford Street Multi-use Path](#) at the intersection of Twiford Street and The Woods Road.
