The Struckman Boulevard Path is just over a mile long, stretching between Bartlett Road and State Route 59, (although the path narrows from the end of Sunset Park up to the end on SR 59). That said, it also connects to some significantly multi-use trails in DuPage County. At its east end you can connect to the North Central DuPage County Trail and continue east through the the wildland landscape of Hawk Hollow, or head south along Bartlett Road and connect to the West Branch DuPage River Trail.
