The Genessee Road Trail sits on the western side of Genessee Road in Grand Blanc. The neighborhood trail extends for just over 3/4-mile, from Perry Road in the South to Kings Fairway Lane at the north end. It's flat and paved, making it a low-stress path for anyone looking to get some exercise. The setting mostly consists of scattered single family homes and wide fields. Future plans include extending it to Hill Road in Grand Blanc.

Genessee Road Trail

Michigan

States: Michigan
