The Mapleton Lateral Canal Trail is a recreational trail on the eastern side of Mapleton in the Utah Valley. The trail travels the length of the city, starting on Canyon Drive in Springville and continuing south along 1900 East Street, west on 1600 North Street and the rest of the way south atop the Mapleton Lateral Canal. Mountains rise in the background. The trail surface is smooth asphalt, and 10-14 feet wide. Benches and trash receptacles are placed at intervals along the route. .

Future plans will see the trail connect to the Spanish Fork trail system, but at present, it's an out-and-back trail, dead ending just north of Canyon Road/ SR6. Still, if you are interested in a longer ride, you can continue on the [Hobble Creek Bike Path](#) from the north end of this trail.

Mapleton Lateral Canal Trail

Utah

States: Utah
