Lake Andes Rail Trail

South Dakota

A short community trail built on a former section of the Chicago, Milwaukee, St. Paul and Pacific Railroad in the community of Lake

A short community trail built on a former section of the Chicago, Milwaukee, St. Paul and Pacific Railroad in the community of Lake Andes in southern South Dakota, the Lake Andes Rail Trail provides a nice recreational path for local residents and those passing through town. The trail runs for a little under a mile out from town to the edge of the lake, taking advantage of the rail corridor that once ran through this rural stretch of Charles Mix County.

Lake Andes Rail Trail

South Dakota

States: South Dakota

Counties: Charles Mix

Length: 0.84miles
