Greenhaven Greenway sits in the linear park of the same name. The trail mimics the course of Ryan Creek. It begins at Mystic Drive and parallels Lynhaven Drive south. After 500 feet, one branch loops back up to Mystic Drive, while another continues south up to the trail's endpoint at Vandalia Road. Across that road, the trail continues as [Shannon Hills Greenway](#). Greenhaven Greenway allows residents of Greenhaven and Apple Ridge to get out into nature just steps away from their homes. Pedestrians and bicycles are welcome.
