The Island Lake Connector Trail allows cyclists, pedestrians, and other residents of Green Oak Township to connect to the Island

The Island Lake Connector Trail allows cyclists, pedestrians, and other residents of Green Oak Township to connect to the Island Lake Recreation Area. The trail sits on a converted railroad bed, and starts in the parking lot of the JCPenney at Green Oak Village Mall. Though less than a mile long, the trail is an important piece towards the completion of the Greater Lake-to-Lake Trail.
