Spring Gulch #1 Greenway

Colorado

The Spring Gulch #1 Greenway is a multiuse pathway in Longmont, Colorado. The trail stretches the length of the 16-acre Kensington

The Spring Gulch #1 Greenway is a multiuse pathway in Longmont, Colorado. The trail stretches the length of the 16-acre Kensington Neighborhood Park, extending from 3rd Avenue north to a point not far from the BNSF train tracks north of 9th Avenue. An additional connection takes users north and then east to connect to the Oligarchy Ditch Greenway at Clark Centennial Park.
