This shared use path may only be 2.3 miles long, but it is appreciated by residents in Florence as a place to exercise. It travels alongside Aero Parkway, which borders the Cincinnati/ Northern Kentucky International Airport. The paved trail undulates gently as it goes along. Dark blue benches have been placed at intervals in case a rest is needed.

Currently, the trail runs from Burlington Pike to Turfway Road, but Boone County plans to extend it into Burlington in 2020. With an increasing number of residential developments in the area, this trail is poised to continue growing in popularity.

# Aero Parkway Bicycle Trail

*Kentucky*
