Mason Creek Greenway

Virginia

The Mason Creek Greenway Trail follows its namesake creek closely, stretching for over a mile. The trail starts on Roanoke

The Mason Creek Greenway Trail follows its namesake creek closely, stretching for over a mile. The trail starts on Roanoke Boulevard and heads north, sliding between an office complex and a mobile home park. Farther north it's a mix of open field and thick trees. The trail dead ends just short of the Lynchburg Turnpike.

The trail is found in Salem, Virginia, which is also home to the [Roanoke River Trail](#).

Mason Creek Greenway

Virginia
