Lancaster residents of all ages can use the Pleasant Run Hike and Bike Trail for their outdoor recreation - be it an early morning jog, an easy stroll or a safe place to run or ride for little ones. Rest stations, with benches and trash receptacles, are available along the way. The non-motorized trail passes through neighborhood and near schools, making it an option for school days too.

The concrete trail utilizes Oncor (electric utility) easement from a point just north of Main Street to another point west of Prairie Drive. However, the trail is not continuous: one segment runs from Houston School Road to the west end point. The other longer segment (the east segment) sits between Main Street and Mill Branch.
