The River Bend Drive Hike & Bike Trail provides ample opportunity for residents of west El Paso, young and old alike, to get out and walk, run, ride or roll. The trail sits on the west side of River Bend Drive, and also parallels a drainage canal. It's a straight shot, stretching between Turnstone Drive and Frontera Road. Shrubs and maturing shade trees form the fringe of the pathway, which is wide, paved and flat. Locals can use the trail to travel between their homes and White Elementary School, as well as Braden Aboud Memorial Park, which features a playground and multiuse field.
