Running alongside Marion Road in southern Rochester, the Marion Road Bike Path provides an asphalt sidepath trail for cyclists and pedestrians to use - together with the [Bear Creek Trail](#) and the pathway along 20th Street, the trails form a looping system that enables you to travel off-road between Smetka Park and Bear Creek Park. This stretch is far less scenic, especially compared with the wooded creek corridor of the Bear Creek Trail, but it nevertheless offers an important connection for area residents.

Marion Road Bike Path

Minnesota
