Bushkill Township Trail *Pennsylvania*

Bushkill Township Trail is a rail-trail occupying what was the right-of-way of the Slate Belt Electric Trolley. The official trailhead is on

Education Center.

Bushkill Township Trail is a rail-trail occupying what was the right-of-way of the Slate Belt Electric Trolley. The official trailhead is on Moorestown Road; a gravel lot with a burgundy sign marks the spot where the trail begins. Mature trees, bushes and wildflowers crowd the gravel trail as it heads south along Sobers Run. Wooden utility poles and flat-top benches repeat at intervals. The trail is serene and immersive. The sounds of nature and glimpses of wildlife are your companions. The trail concludes on Belfast Road, across the road from the trailhead for the trails in Jacobsburg State Park. In the future, it is hoped that the trail will be extended to connect to Ballas Park along Kromer Road.

At the trail's southern end, trail users can continue along a number of loop trails in the Jacobsburg Environmental

Bushkill Township Trail

Pennsylvania

States: Pennsylvania

Counties: Northampton

Length: 2miles

Trail end points: E. Moorestown Road to
Belfast Road
