Highway 287 Bypass Trail

Colorado

Adjacent to Highway 287 in Lafayette, the this multipurpose path provides a space for both recreation and commuting. The wide

Adjacent to Highway 287 in Lafayette, the this multipurpose path provides a space for both recreation and commuting. The wide concrete trail stretches between Baseline Road and Cherrywood Drive. Sitting in the grassy landscaped margin of the highway, the trail moves between residential and commercial areas. The trail connects walkers and bicyclists in Lafayette to the [Coal Creek Trail](#), a regional trail running through scenic open space between Superior and Erie.
