The Longboat Key Bike Trail spans the entire barrier island along the Gulf of Mexico Dr. This bike trail provides tourists the perfect car-free route to navigate the beaches and other attractions of the region. At its widest point, Longboat Key is only 1 mile wide, so from nearly point along this bike trail, public beach access is only a short side street away.

Most of the island's private resorts are along this route in addition to yacht clubs, two golf courses and a variety of restaurants and cafes. The Bike Trail also passes by Bayfront Park which has a kayak launch, playground, dog park, pickleball/tennis courts and indoor recreation center.
