A morning jog, an evening walk or a place to take off the training wheels, this short neighborhood path provides opportunities for that and more. Located in the Stanton Place neighborhood of Cary, the asphalt trail sits hemmed in by vegetation and backyard fences, traveling in the space behind single-family homes. The trail travels from Ten-Ten Road up to the woods around Dutchman's Branch. Future plans will see the trail extended in both directions, north and south.

# Camp Branch Greenway

North Carolina
