The Hondo River Recreation Trail mimics the course of the Rio Hondo for about a mile. The paved trail sits on the north bank of the river, providing a safe place to walk and bike in Roswell. Rio Hondo flows northeast but you'll travel in the opposite direction if you choose to start in Hondo Park. From there the trail heads southwest, passing residential suburbs, crossing a railroad and then entering an industrial part of the city. The trail terminates at Hendricks Street.
