The LAFF Pathway is a proposed recreational trail project connecting the communities of Linden, Argentine Township, Fenton, and Fenton Township in Genesee County.

The first phase of the LAFF Pathway, opened in October 2020, consists of a paved, 10-foot wide multipurpose trail linking Argentine Township to Linden. The trail begins on Lobdell Road and heads north, before crossing into and cutting through the Linden Schools campus. Past the schools, the trail begins to follow Silver Lake Road into the City of Linden, passing through rural and suburban areas. From Chestnut Way, users can continue on the city's sidewalks to Linden County Park on Linden Road, and continue on to Fenton. The trail is generally flat making it friendly for walking, running, biking, and skating.
