The Monroe Street Trail is a part of Goshen's Maple City Greenway system. The trail travels east-west adjacent to Monroe Street, providing connections to Goshen High School on the west end, as well as to the Elkhart 4-H County Fair Grounds. The Elkhart County 4-H Fair is an one of the biggest county fairs not just in the Hoosier State, but in the US, hosting hundreds of thousands of guests each year.

About 1000 feet east of the railroad crossing, the trail meets the Abshire Park Trail, which travels along Rock Run Creek to the [Pumpkinvine Nature Trail](#).
