The Metro Connector Trail works as its name suggests, closing the gap between two local favorites in Novi: the [M-5 Metro Trail](#) and the [I-275 Metro Trail](#). The trail begins on 13 Mile Road and then pivots south along Meadowbrook Road. It's a tree-lined suburban path, passing Meadowbrook Elementary and Michigan State University's Tollgate Farm and Education Center, which provides non-formal hands-on learning in agriculture to adults and children alike.

The M-5 Metro Trail further connects to the [Michigan Air Line Trail](#).
