The Northeast Texas Trail through Blossom starts at the west city limits and crosses to Bois D'Arc Street on the east side. The trail runs through the heart of town along the leafy former railroad corridor. The paved, two-lane trail welcomes walkers and cyclists alike.

The City of Blossom trail picks up from the [Prairiland Trail](#) at its west end, which in turn connects to the [Reno Rail Trail](#) and then the [Trail de Paris](#). To the east, the NETT is unpaved.
