Rogers, Arkansas is home to a developing trails and greenways system that will one day be 60 miles and encompass the city. The War Eagle Trail is one of the existing trails, a concrete shared-use path that serves the dual role of connecting to destinations, and providing a space for exercise and recreation. The trail picks up where the Mountie Trail leaves off, on Nursery Road (heading south and west on the [Mountie](#) and [Blossom Way](#) Trails will take you all the way to the [Razorback Greenway](#)). From Nursery Road, the trail parallels S. 1st Street north, making a connection to Veterans Park. The path then faces west on Olrich and up 5th Street, ending near the Rogers Heritage High School.
