Smyrna-Clayton Bike Path

Delaware

Providing over a mile of trail between the Kent County communities of Smyrna and Clayton, the Smyrna-Clayton Bike

Providing over a mile of trail between the Kent County communities of Smyrna and Clayton, the Smyrna-Clayton Bike Path is a nifty recreational asset that offers a nice path for outdoor exercise as well as links for residents to important area destinations like schools and parks.

The bulk of the trail runs along the woods behind the Smyrna Middle and High School campus, with segments connecting to Duck Creek Parkway and Smyrna Clayton Boulevard, providing an important off-road connection between the busy roadways and the schools. The asphalt path is narrow but smooth and flat, making it a great option for strollers, runners, and family bike rides.
