Railroad Park Bike Path

Kansas

Railroad Park is a linear park in the heart of Newton, Kansas. The greenway, with its concrete multipurpose path, parallel active

Railroad Park is a linear park in the heart of Newton, Kansas. The greenway, with its concrete multipurpose path, parallel active BNSF railroad tracks. There are benches placed alongside the trail, inviting users to sit and watch the trails for a spell before continuing on their way. A chainlink fence provides separation between the railroad tracks and the bike path.

Railroad Park Bike Path

Kansas

States: Kansas

Counties: Harvey

Length: 0.4miles
