Sweet Water Creek Trail

Iowa

Sweet Water Creek Trail

Iowa

The Sweet Water Creek Trail provides an alternative way for Tripoli residents to access Sweet Marsh Wildlife Management

The Sweet Water Creek Trail provides an alternative way for Tripoli residents to access Sweet Marsh Wildlife Management Area without driving. The trail extends two miles from the heart of the city and winds eastward on a mostly off-street, multi-use path, leaving behind concrete and crop fields for the thick woods of Sweet Marsh. The trail is open for pedestrians and cyclists alike. Enhancements planned for the trail including a trailhead at Main Street and Sweet Water Creek, a pocket park and a welcome center.

Sweet Water Creek Trail

Iowa
